Samantha,

We will need to check with OGC Ethics on whether Leonard can participate in the official events as part of the delegation. They will probably want to know whether Leonard has any business relationship with EPA. Do you want to contact OGC, or I can If you can give me more information on Leonard's background.

We will check with the US Embassy to reconfirm the Cardinal Turkson meeting.

Jane

Jane,

I shared our draft schedule with Leonard, and his assistant asked whether Leonard would be able to accompany us in Rome as part of the delegation during our official events, or whether he will need to stay back? If he is disallowed, then they would just like to be able to start setting up meetings for Leonard independently. Let me know what is involved in this.

Also, I was told that Cardinal Turkson is out of town on the day that you have him scheduled. Is the meeting with Turkson confirmed and locked in?

Thanks again,  
Samantha
